

20th May 2026

Dear Parent/Carer,

Year 7 Summer Assessments

Year 7 students will be completing a series of examinations in Mathematics, English and Science during the week commencing 15 June 2026.

These assessments are designed to provide a clear picture of your child's strengths and areas for development, while also helping to prepare them for working for sustained periods under exam conditions. The Mathematics, English and Science exams will take place in the Sports Hall. Students who require additional support, as outlined in their Education Health Care Plan, will complete their exams in a smaller, appropriate venue.

A full exam timetable is included at the end of this letter, along with useful links to revision strategies and support. Details of the topics to be assessed will be shared on the Year 7 Google Classroom, with further guidance and resources available via subject Google Classrooms and through classroom teaching. Students are expected to bring the correct equipment to each exam.

Subject Information

English

- One 45-minute exam in the Sports Hall
- One 45-minute classroom-based assessment

Equipment: 2 black pens, highlighter

Mathematics

- One 90-minute exam

Equipment: 2 black pens, pencil, ruler, rubber

Science

- One 75-minute exam (Biology, Chemistry and Physics sections)

Equipment: 2 black pens, pencil, ruler, calculator

Students will receive guidance in lessons and through the Personal Development programme on **revision strategies and exam expectations** to support their preparation.

If you have any questions, please contact us via info@glossopdaleschool.org.uk and your query will be directed to the appropriate member of staff.

Thank you for your continued support.

Yours sincerely,

S. Coimbra
