Dear Parent/Carer,

Making Progress in Key Stage 3 –Parent Information Evening,

We would like to invite you to our 'Making Progress in Key Stage 3' Parent Information Evening on **Thursday 8 October doors open at 5.15 ready for a 5.30pm start.**

This event will provide practical information and advice to help parents and carers support their child throughout Years 8 and 9.

At Glossopdale School, we believe that students achieve the greatest success when home and school work together. The habits, routines and attitudes developed during Key Stage 3 provide the foundation for future success in Key Stage 4 and beyond. Strong attendance, positive study habits, effective organisation and a commitment to learning during Years 8 and 9 help students build the knowledge, skills and confidence they need as they move towards GCSE study.

The evening will include a main talk in the theatre, followed by a series of carousel sessions designed to help you support your child's progress and wellbeing.

Carousel Sessions

- Making Progress in KS3
- Developing Effective Study Habits
