Digital Images

To help keep children safe and protect their personal information, our school follows the GDPR Data Protection Policy (found on our website [School & Trust Policies](#)). This policy guides how we use any images of students.

Student photos or videos may appear in places such as the school website, newsletters, displays, social media and yearbook. Because websites can be viewed worldwide, not just in the UK, we want to be sure you are comfortable with how your child's image may be used.

We are therefore asking for your permission to use photos or videos of your child for educational or promotional purposes. This includes activities like celebrating achievements and showcasing learning.

Please indicate Yes or No in Applicaa to let us know your preference.

To aspire, endeavour and THRIVE together.

Internet Usage

As the parent/carer of the student, I give permission for my child to access networked computer services such as e-mail and the internet. I understand that students will be held accountable for their own actions. I also understand that although the school will take reasonable steps to ensure that my child is appropriately supervised, according to age and responsibility, I will not hold the school or the Local Authority responsible for inappropriate material that my child may obtain. I understand the school reserves the right to apply monitoring arrangements to any student in relation to network, e-mail and internet use as a safeguarding measure. I accept responsibility for setting standards for my child to follow when selecting, sharing and exploring information and media. I agree to report any misuse of the network to the school.

Upon starting at Glossopdale High School all students will need to agree to the following:

As a school user of the internet, I agree to follow the school rules on its use. I will use the network in a responsible way and observe all the restrictions explained to me by the school. I agree to report any misuse of the network to a member of staff. I also agree to report any websites that are available on the school internet that contain inappropriate material to a member of staff. If I do not follow the rules, I understand that this may result in loss of access to the internet as well as other disciplinary action.

To aspire, endeavour and THRIVE together.

Mobile Phones & Other Electronic Devices

Bringing a Phone to School: Students may bring a mobile phone for their journey to and from school. This policy also applies to smart watches, earbuds (AirPods), and any internet, Bluetooth or communication-enabled device.

Phone Pouch System: Every student in Years 7-11 is issued with a Phone Pouch. The pouch remains school property and should be kept by the student throughout their time at Glossopdale High School.

During the School Day: All mobile phones and smart devices must be switched off and be placed in the Phone Pouch before entering the school site at the start of each day. Devices should remain secured in the pouch throughout the school day.

This is to support learning, reduce distractions, and create a focused and positive school environment.

The policy meets the Department for Education guidance on mobile phones in schools.

For further details, please see our Mobile Phone and Other Devices Policy & Procedures policy on the Policies Page of our website here: [School Policies](#)

Uniform

School uniform is compulsory for students in Years 7-11 when attending Glossopdale School & Sixth Form - this includes when travelling to and from school, when participating in a school organised event outside normal school hours and when representing the school in any other capacity.

We ask all parents, carers and staff to support the view that a uniform helps to create an orderly atmosphere which is conducive to learning and reflects a positive image in the community. Smartness in uniform can translate into smartness in learning and behaviour.

Cashless Catering

ParentPay
COUNT ON US

Glossopdale High School school operates a cashless catering system which makes lunchtime more effective and exciting for all our students and relieves them of the need to carry money.

ParentPay is an online cash system that allows parents/carers to pay money into an account to pay for school meals, trips, school ties and other items.

ParentPay is primarily used for dinner money. Parents/Carers can log onto their accounts and see exactly what their children are eating and drinking at break and lunch. You can set a limit per day and you can pay as little as £5 per transaction. You can also see which items your child is purchasing each day.

Students have a biometric thumb print taken and this information is then stored.

ParentPay information can be found here:

Off-site Learning Activities

From time to time during the academic year, your child may have the opportunity to visit a variety of places within the locality, both to support their learning and meet the requirements of the curriculum and to enhance community participation. These visits will usually be on foot, take place within school hours and will always be supervised. There may be occasions when vehicular transport is required. This could be by a suitably insured hired minibus or coach.

PE lessons may take place off site at various locations. In addition to this, our PE Department organise various extra-curricular sports' fixtures and activities which take place both on-site and at other schools/locations. Parents/carers will be advised of their child's participation in an event at least 24 hours before the fixture, informing them of the date, venue and expected dismissal time.
