

School uniform

Principles:

- Establishes a professional and purposeful environment
- Creates equality and reduces competition
- Avoids preoccupation with appearance
- Ensures that the focus is on learning
- Supports age-appropriate and suitable clothing choices
- Creates a sense of pride in the school community

School uniform

Practice

- Black tailored medium length/on the knee shorts may be worn in the warm weather; they must be plain, not sports, jersey or tight shorts and with no logos
- Skirts must be tailored and have at least one pleat: they may not be jersey or skater skirts
- Black tight-fitting shorts are permitted as part of PE uniform (including for Sports Days), e.g. cycling shorts, only if knee length and not 'hot pants'

When does this start?

- **Students can wear shorts (according to the policy guidelines) from Monday 19th June**
- **The policy on PE shorts (not hot pants etc) starts on Monday 26th June**
- **If students already have skater/jersey skirts, these must be replaced by September (earlier if possible)**
- **After these dates, the usual uniform rules and sanctions apply as per the school uniform policy**
